- To develop the 4Cs- Communication, Collaboration, Creativity and Critical Thinking.
- To develop Entrepreneurship skills among students.
- To develop quality infrastructure and improve existing amenities for the holistic development of the students.

Education for All

Chairman Cum Managing Director

DR. G. S. PATNAIK
MA. MED. D.LIT.

Born in 1964 at Salur, Andhra Pradesh, Dr. G. S. Patnaik started his career as PGT in 1988. Having been worked as Principal of different elite schools of India, he started his own school in 1998.

He has been a dreamer and visionary from the very beginning of his journey as an educationist. The challenges and the hardships, he faced, made him more focused to spread the education in different parts of India and abroad. From visualization through realization and finally, actualization has been a very bumpy voyage that resulted into now leading more than 63 schools in different states of India from East to North.

To fulfil his commitments and achieving goals he visits his schools regularly and travels more than 20 days in a month. To keep himself abreast of the latest educational innovations, he regularly attends various educational symposiums and conferences in India and abroad.

Moreover, he has conducted several training sessions on the latest technological advancement and techniques for Principals, teachers and non-teaching staff in India. Professionally he has received many recognitions from MHRD and other Govt. bodies. He has been conferred with “Zee Education Excellence Award” by Chief Minister of Chhattisgarh, Leading Entrepreneur Award for opening schools in Baster area (a tribal and Naxalites affected belt) by CM Bhupesh Baghel Ji.

More than 1000 students are given free and concessional education in various schools being run by the group. Not just confined to work, but he also sets an example as a fitness enthusiast for his students & employees with regular exercise, meditation and yoga, 7 days a week which keeps his mind & body fit and healthy.

“Education Icon of the Year 2020 by Education Today”
“He has been elected as President of Odisha Athletic Association.”

ABOUT US

A Journey... Miles to accomplish

Although, today we are one of the leading school chains of India, our background had been very humble. The group started its first school in the year 1998 at Kantabhanji in a small rented building in the backward area of Odisha, followed by its second school in M. P. (now Chhattisgarh) at Bilaspur under the visionary guidance of our founder chairman Shri R. Kumaraswamy. After his demise Shri Kenneth Nair followed by Shri Rambabu Sonthalia took the reins of the group and established some schools in different parts of Odisha and Chhattisgarh. Presently, St. Xavier's Chain of Schools is being led by our present chairman Dr. G. S. Patnaik who himself has been a teacher by choice.

With a clear aim to provide the holistic education to all, the Management of St. Xavier's Chain of Schools is running more than 63 schools in different states of India like Odisha, Chhattisgarh, Jharkhand, Haryana, West Bengal, UP etc. St. Xavier's Chain of Schools has strength of more than 45,000 students, 2500 faculty members, 1500 non-teaching and support staff. Our schools offer quality education to varied age group students from Montessori level to senior secondary. The schools are following the curriculum and guidelines being issued by Central Board of Secondary Education, New Delhi, NEP 2020, NCERT, NCF and other state bodies.

Apart from excelling in board examination, our students outshine in different competitive exams like IIT-JEE, NEET, KVPY, NTSE etc. Our myriad alumni are successfully working as IAS, IPS, Army Officers, doctors, engineers etc.

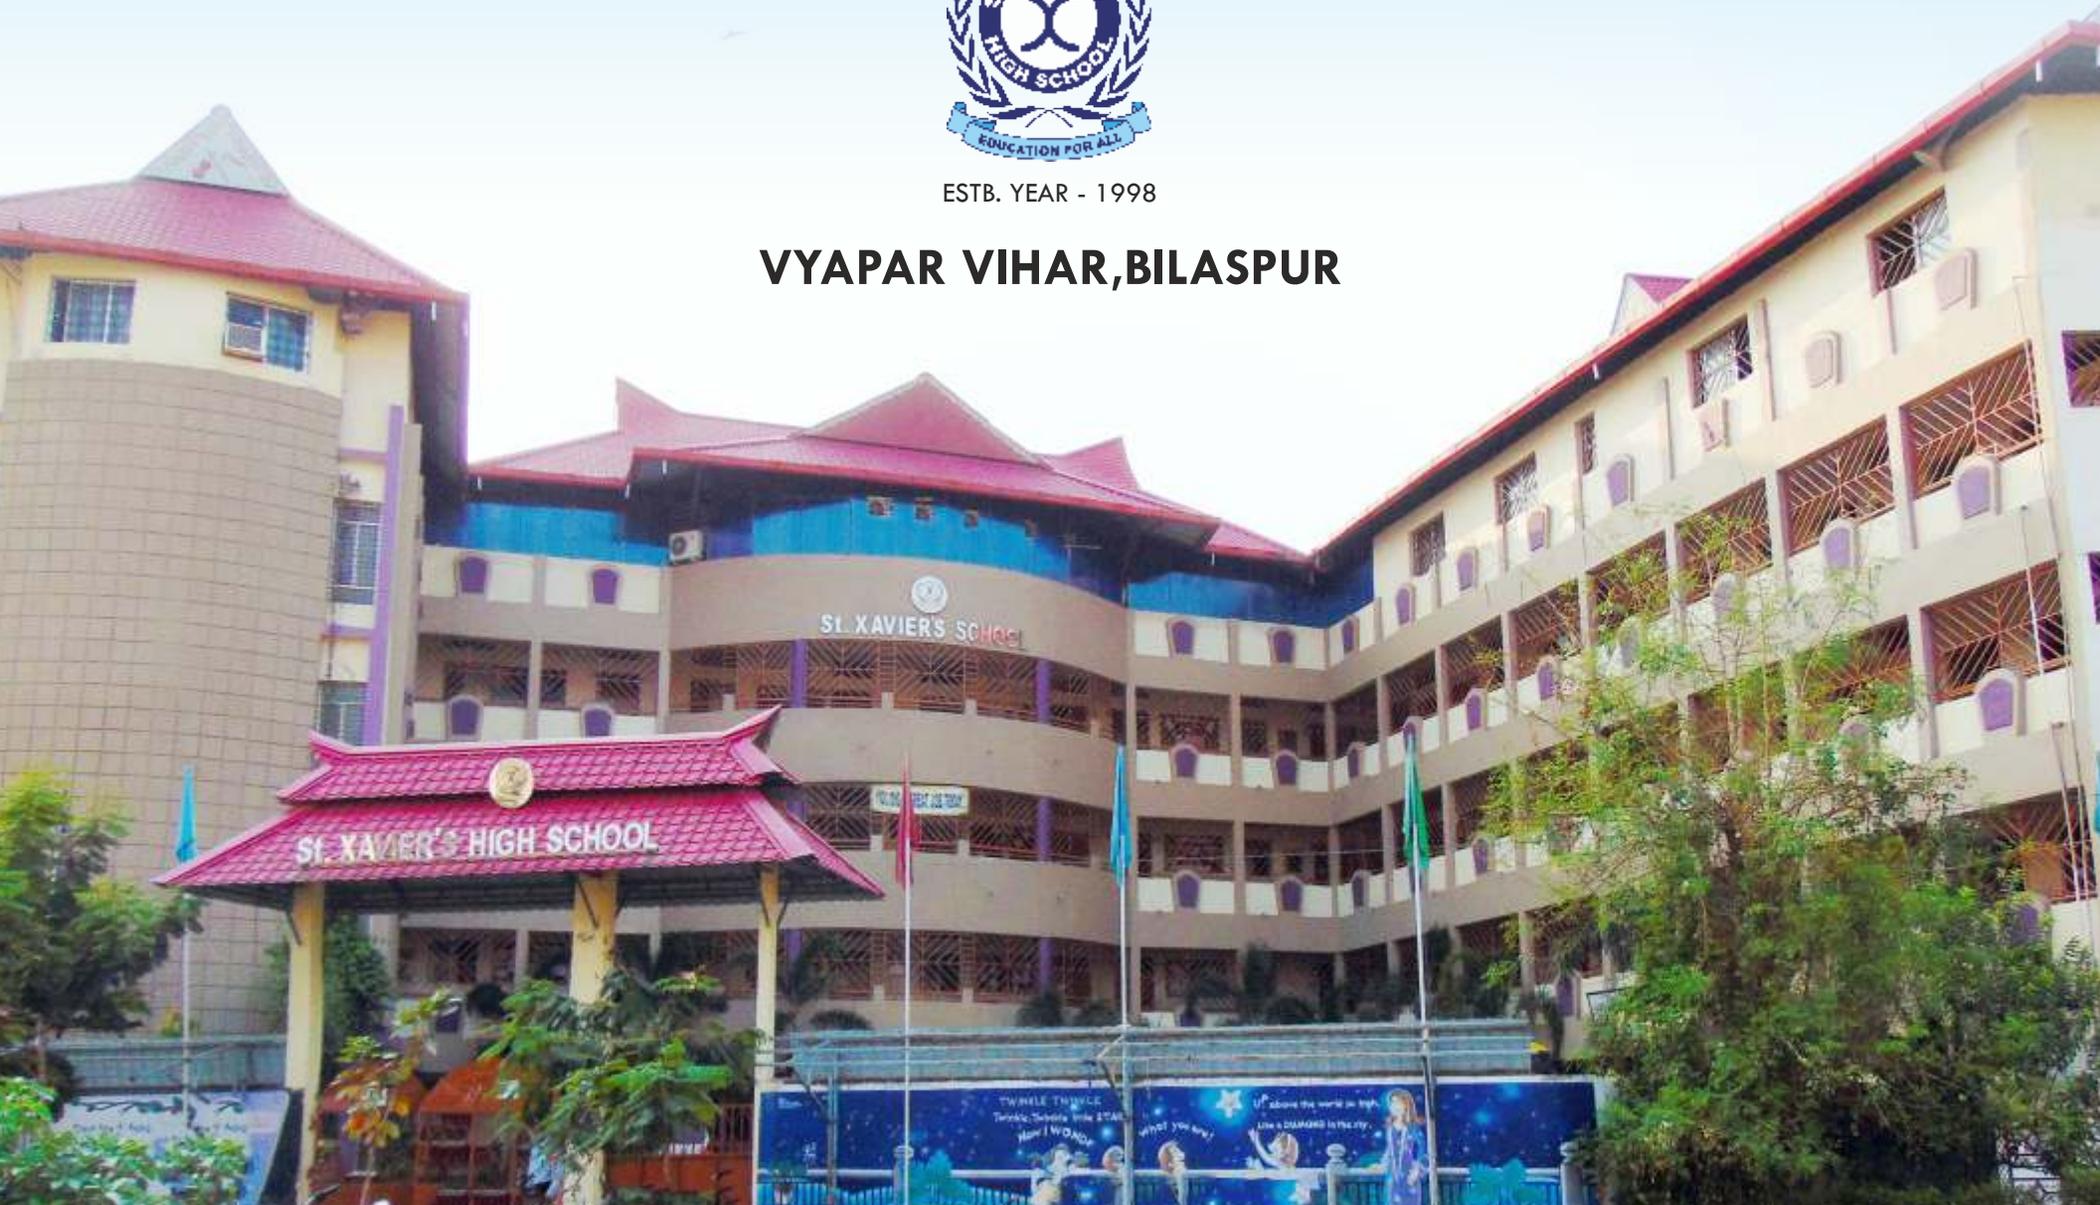

In the recent years different National and State bodies have recognized the contribution of the group in the field of the education and conferred the schools with several accolades for excelling in education.

- SXHS Jagdalpur- Best School in Bastar.
- SXHS Bharni ranked no. 4 in India and no. 1 in Chattisgarh under India's Top 20 Day cum boarding School Category by Education Today.
